

The Morning Song

(to the tune 'Here we go round the Mulberry Bush')

When we wake up we say 'good morning', say 'good morning',
say 'good morning'. When we wake up we say 'good morning',
every single day!

When we've done that we go to the toilet, go to the toilet,
go to the toilet. When we've done that we go to the toilet,
every single day!

Then we all have our breakfast, have our breakfast,
have our breakfast. Then we all have our breakfast,
every single day!

After breakfast we get dressed, we get dressed,
we get dressed. After breakfast we get dressed,
every single day!

Once we're dressed we clean our teeth, clean our teeth,
clean our teeth. Once we're dressed we clean our teeth,
every single day!
