

DIY Pumpkin Mask

You will need...

- A printer
- Scissors
- String
- A hole punch
or sharp object
- Colouring pens
- An adult to help

Instructions

1. Print out this template
2. Cut out the pumpkin shape
3. Cut out the eye holes
4. Punch a hole in the black dots on either side
5. Colour in your masterpiece!
6. Tie both ends of a piece of string that fits around your head to the holes on either side
